

## 2023-2025 Coppin State University National Alumni Association Candidate Bio

**Terrence Brower**  
**Candidate for Second Vice President**

### **Degree and Graduation Year**

Bachelors of Social Work, Class of 2011

### **Other Degrees and Certifications**

Masters of Social Work, Capella University, Class of 2018

### **Please share a few words about your professional career (i.e. current title/employer, business, profession, or retirement status).**

I'm a Support Planner at MMARS (Medical Management and Rehabilitation Services). I've been with the company for over a year.

### **Why are you interested in serving as an officer on the Coppin State University National Alumni Association (CSUNAA) executive board?**

The reason that I am interested in serving on the executive board is because I want to give back to the University that helped to "transform my potential" and helped me to become the professional that I am today. I feel that as a young alumnus of the school I'm more in touch with what today's student wants and needs as they traverse the Coppin State University landscape.

Coppin State University also helped me to realize that getting my college education was the best investment that I can make. Also, I am a first-generation college student as neither of my parents attended college or they did not complete their degree.

I want to give back to my Coppin Community while displaying my ability to be innovative and dedicated to promoting our ever growing HBCU and helping to foster new relationship and create new opportunities for students and alumnus involvement.

**How can you support the alumni association to grow membership, help establish new alumni chapters, and increase alumni participation?**

As an alumnus under 40, I feel that I am slightly more in touch with the struggles of today's student and alumni, and I can engage those alumnus who are not active with the CSUAA and help to get them back engaged. I have years of leadership and community involvement experience via my fraternal organization, Iota Phi Theta Fraternity, Inc serving as Secretary, Chapter President, Community Service Social Media Chair. As a social worker, I know how to engage people from all walks of life. Also, I can support the establishment of new alumni chapter by using both my personal, professional, and fraternal networks.

I can assist with Membership Drive events on and off campus as well as reach out to my vast network of close fellow alumnus around the country and create international student engagement.
